

Leader Energy Services is a dynamic and innovative oilfield services company providing coiled tubing and nitrogen pumping to areas throughout Alberta and northern B.C. By providing experienced operators on all job sites, Leader's employees complete tasks safely, efficiently and effectively.

Leader is looking for people who wish to pursue a career in the oilfield services industry. Currently in our Grande Prairie location we have an opening for the following position:

MSO (Multi-Service Operator) FIELD SUPERVISOR

The MSO must be able to perform the following duties:

- Manage all personnel and equipment in the areas of Coiled Tubing, Nitrogen and Fluid Pumping Services.
- Safely execute all jobs in these areas within the specified time restraints
- Supervise and co-ordinate activities of workers
- Establish work schedules
- Requisition materials and supplies
- Resolve work problems
- Train workers in job duties, safety procedures and company policies
- Oversee safety operations in the field
- Prepare and submit production and other reports as required
- Recommend personnel actions
- Set up machines and equipment
- Heavy lifting may be required

Employment Requirements:

- Completion of secondary school is required
- Completion of college or Petroleum Industry Training Service (PITS) courses is required
- At least 5 years of extensive experience in the area of coil tubing, nitrogen and fluid pumping
- Certificates in first aid, hydrogen sulphide awareness, blowout prevention, and well control are an asset -
- Workplace hazardous materials information system (WHMIS), and transportation of dangerous goods (TDG) training provided by Leader
- Drug & Alcohol testing required
- Supervisory experience in the area of coil tubing, nitrogen and fluid pumping preferred, with ability to supervise up to 10 employees
- Class 1 driver's license preferred
- Ability to speak, read and write English preferred

Work Environment

- Work is outdoors in a team environment in all weather conditions including inclement periods.
- Travel away from the home base of Grande Prairie will be required with the possibility of being away for extended periods of time. Travel can involve areas in Northern British Columbia, Alberta and Saskatchewan.

Leader Offers:

- Anticipated Start Date: As soon as possible

- Permanent, Full Time - Work schedule consists of a 15 on and 6 off rotation and on call 24 hours per day for this time
- Above industry wages - Base salary of 40.27 per hour, plus \$60.00 per hour for all hours worked in the field
- Excellent Benefits Packages from Hire Date including: Medical Benefits, Dental Benefits, Vision Care Benefits, Group Life Insurance, Accidental Death & Dismemberment Insurance, Employee Assistance Program, eligibility to participate in additional Group Insurance Benefits (Short-term and Long-term Disability), Group RRSP with Company Match, Company vehicle, and Discretionary bonus
